City of Troy Police Department
ATTN: Lieutenant Scott McWilliams
500 West Big Beaver
Troy, MI 48084

Dear Lt. McWilliams,

I am writing on behalf of the Morel East Subdivision to thank all of you for all of your help during this past Easter holiday weekend. During the past eleven years this was the first time we had such a wonderful turn out of support from the city Police department helping out our subdivision with this parking issue that we have been dealing with. I want to personally thank you for the wonderful service to our community! So many of the neighbors came to me and were extremely happy with the turn out from the police department.

We hope to receive your continued support in the future to help watch the area during the holidays for extreme parking and the speeders that come through during the summer.

Again, we thank you all for your help and support!

Sincerely,

Sam Daya
Morel East Homeowners Association
