Subject: Vision and Goals

My selections are:

Visions:

*Provide fiscal stability for sustainable community
To honor the legacy of the past and build a strong, vibrant future*

Goals:

*Work with community partners
Safe clean livable city
Fiscally sound effective government
Develop and maintain efficiencies with external and internal partners
Develop a plan -- may involve marketing*

Council Goals:

*Develop strategies to strengthen trust, communication and to maximize the performance of the leadership team
Create a community of informed citizens
Effective and professionally communicate internally and externally*
