Subject: Extension of time request

John,

Due the holiday season, we've experienced some difficulties receiving timely receipt of information, as well as access to individuals crucial to the production of our report for the City of Troy. As a result, we are behind schedule wrapping up our work for the City Council worksession on January 17th.

To ensure that we can deliver a complete, high quality product, I'm requesting that the worksession be delayed for two weeks.

Thank you for your consideration,

Craig R. Rapp, ICMA-CM
