

April 19, 2005

TO: John Szerlag, City Manager

FROM: Jeanette Bennett, Purchasing Director
William S. Nelson, Fire Chief

SUBJECT: **Agenda Item** – Standard Purchasing Resolution 1: Award to Low Bidder – Two (2) Air Compressors

RECOMMENDATION

On March 23, 2005, bid proposals were opened to provide two (2) high-pressure Air Compressors for the Fire Department; one for Station Four, the other for Station Five. City management recommends the contract be awarded to the low bidder, Douglass Safety Systems of Rhodes, MI, for an estimated total cost of \$33,800.00.

The award is contingent upon contractor submission of properly executed bid documents, including insurance certificates and all other specified requirements.

BACKGROUND

- The Fire Department utilizes ten (10) high-pressure air compressors for the filling of self-contained breathing apparatus. Each of these units operates at pressures of between 4500 and 6000 psi.
- This contract will replace two of the present units. The units are over 10 years old. The new units will have three times the air output of the units they replace.

BUDGET

Funds are budgeted in the Fire Operations Account #338.7740.115.

95 Vendors Notified via MITN System

7 Bid Responses Rec'd

1 Late Bid

6 No Bids: (1) Company was unable to meet specifications or provide an alternate.
(2) Companies unable to bid at this time but want to be retained on the bidder's list.
(2) Companies do not handle the product specified.
(1) Company's schedule does not permit performance of the specifications.
