SUBJECT: Final Reporting – BidNet On-Line Auction Services – February 2011

Background

Resolution #2004-02-075 established the auction fee of 5% and provided approval to use BidCorp with the provision that other on-line auction service options would be considered. BidNet moved forward and implemented an on-line surplus auction service for the MITN System (Michigan Inter-governmental Trade Network), which can be accessed through the City of Troy home web page. MITN is the official e-procurement website used by the City for posting bids, tabulations, quotations, and award information. Farmington Hills, Michigan was the lead agency for the bid process for an on-line auction website. It was a Purchasing goal to have one e-procurement website operational for all functions.
