FROM: Susan A. Leirstein, Purchasing Director  
Timothy L. Richnak, Public Works Director

RE: Standard Purchasing Resolution 1: Award To Low Bidder – Pavement Seam, Fracture Sealing and Spray Injection Patching Program

---

### **Background**

On April 5, 2011, competitive bids were received to complete the Pavement Seam, Fracture Sealing and Spray Injection Patching Program for the City of Troy as required by City Charter and Code. 184 vendors were notified of the bid opportunity via the MITN website. Two companies responded. Michigan Joint Sealing Inc of Farmington Hills was the low total bidder. Awards are contingent upon contractor submission of properly executed bid and contract documents including bonds, insurance certificates and all other specified requirements.

### **Recommendation**

City management recommends awarding a contract for the pavement seam, fracture sealing and spray injection program for fiscal year 2010/11 to the low total bidder, Michigan Joint Sealing Inc of Farmington Hills, MI, for an estimated total cost of \$ 142,900.00, at unit prices contained in the bid tabulation opened 4/5/11.

### **Fund Availability**

Funds for this project are available in the 2010/11 budget - capital accounts for Public Works Construction, Major and Local Roads.

Prepared by: Marina Basta-Farouk, Project Construction Manager
