RE: Standard Purchasing Resolution 1: Award To Low Bidders – Asphalt Paving Materials- Hot Patch

---

### **Background**

On April 19, 2011, proposals were competitively bid and electronically received as required by City Charter and Code for one-year requirements of asphalt paving materials- hot patch with an option to renew for one additional year. 54 vendors were notified of the bid opportunity via the MITN website with three (3) bid responses received. After reviewing these proposals, Cadillac Asphalt LLC was selected for Item 6) Bulk Tack Coat because of their plant proximity to the City of Troy. Asphalt paving materials- hot patch are purchased on an as needed basis throughout the year.

### **Recommendation**

City management recommends awarding contracts to the low bidders, Barrett Paving Materials, Inc for Items 1-5, and Item 7) at an estimated total cost of \$82,900.00; and Cadillac Asphalt LLC for Item 6) at an estimated total cost of \$2,500.00, all at unit prices listed in the attached bid tabulation. Awards are contingent upon contractors' submission of properly executed bid documents including insurance certificates and all other specified requirements.

### **Fund Availability**

Funds for these materials are available through the Public Works operating budgets
