Dear Chief Nelson,

I want to thank you for allowing us to use your department's smoke house and HazMat truck for our fire open house. The quality of the smoke house was excellent and it proved to be a huge hit with our residents. The home had a constant stream of children throughout the entirety of the event all of whom were able to learn valuable fire safety lessons.

Our residents also enjoyed the opportunity to see the HazMat truck up close. Many had no idea that such resources were available and were able to learn quite a bit. We are all very grateful for your department's generosity, which helped make our fire open house a resounding success.

Thank you,

Lt. Michael Crum
