

April 20, 2005

Dear Chief Craft,

Yesterday we had Detective Mork give a presentation regarding Internet Safety at our Schroeder PTO Meeting.

I wanted to let you know what an excellent job he did in showing us what our children can get into and how to monitor it. He was very well prepared and gave us excellent advice regarding Internet Safety.

Detective Mork made us aware that he would be available for anyone in our community if problems or questions should arise. We want to thank him again for giving us his time and for the information he passed on to us.

Thank you.

Julie Papandrea
Schroeder PTO President
