**BACKGROUND**

Resolution #2004-02-075 established the auction fee of 5% and provided approval to use Bidcorp, a partner of BidNet, with the provision that other on-line auction service options would be considered. Also during the last year, the partnership between Bidcorp and BidNet dissolved. BidNet moved forward and implemented the on-line surplus auction service for MITN (Michigan Inter-governmental Trade Network) which can be accessed through the City of Troy home web page. MITN is Purchasing's official e-procurement website used for posting bids, tabulations, quotations, and award information. It was a Purchasing goal that one e-procurement site would be operational for all functions.
