- All members of the public who wish to address the Council at a meeting shall be allowed to speak only if they have signed up to speak within thirty minutes before or within fifteen minutes after the meeting's start time. *The audience should be aware that all comments are to be directed to the Council rather than to City Administration or the audience. Anyone who wishes to address the Council is required to sign up to speak within thirty minutes before or within fifteen minutes of the start of the meeting. There are three Public Comment portions of the Agenda. For Items On the Agenda, Troy Residents and Business Owners can sign up to address Postponed, Regular Business,*

*Consent Agenda, or Study items or any other item on the Agenda. Troy Residents and Business Owners can sign up to address all other topics under Items Not on the Agenda. All Speakers who do not live in Troy or own a Troy business may sign up to speak during the Comments on Items On and Not On the Agenda from Members of the Public Outside of Troy. Also, there is a timer on the City Council table in front of the Mayor that turns yellow when there is one minute of speaker time remaining, and turns red when the speaker's time is up. In order to make the meeting more orderly and out of respect, please do not clap during the meeting, and please do not use expletives or make derogatory or disparaging comments about any one person or group. If you do so, then there may be immediate consequences, including having the microphone turned off, being asked to leave the meeting, and/or the deletion of speaker comments for any re-broadcast of the meeting. Speakers should also be careful to avoid saying anything that would subject them to civil liability, such as slander and defamation.*

*Please avoid these consequences and voluntarily assist us in maintaining the decorum befitting this great City.*

## CITY COUNCIL AGENDA ITEM

Date: January 23, 2019

To: Troy Mayor and City Council Members

From: Mark F. Miller, City Manager  
Lori Grigg Bluhm, City Attorney  
Kurt Bovensiepe, Public Works Director

Subject: Scheduled Study Session January 28, 2019, 6pm- Telecommunication Towers on City of Troy Owned Property

---

Recently, several telecommunication providers and third party infrastructure installers have approached City Administration to increase the number of telecommunication towers on City owned property and infrastructure. Recognizing the City does not have a current policy or procedure for the use of publicly owned land for these types of projects we have delayed discussions with these companies. In addition, City Administration recognizes that this was a contentious topic in the past and wants to ensure full transparency through this process.

The presentation will provide an opportunity to educate City Council on current zoning issues, current legislation, current technologies in use and forthcoming, current contracts and locations, and most recent proposals. The dialog will allow City of Troy Administration to develop a policy and procedure based on City Council's consensus, which would be presented at a future meeting.
