## Late Submittal - E-01 CITY COUNCIL AGENDA ITEM

Date: February 13, 2019

To: Mark F. Miller, City Manager

From: Kurt Bovensiep, Public Works Director  
Cindy Stewart, Community Affairs Director

Subject: Public Hearing – Monday, February 25, 2019 – Reprogram Community Development Block Grant (CDBG) Program Year 2018 Funds

---

### Background

The City of Troy is required by the Oakland County Division of Community & Home Improvement to advertise and conduct a Public Hearing for the Reprogramming of CDBG funds. The Clearance & Demo account for CDBG program year 2018 has a balance of \$105,082 because this project cannot be completed per Oakland County. The balance of funds from Program Year 2018 must be expended or relinquished.

~~The PY 2019 project that was approved to retrofit the existing grass pathway to the soccer fields at Firefighters Park with an 8' asphalt ADA compliant pathway. The City will contract out the design and construction of this project. The PY 2018 funds will supplement the PY 2019 funds already allocated for this project.~~

The Community Development Block Grant (CDBG) 2017 Project that was approved was the Non-Residential Historic Preservation at the Troy Farm. This is a multi-year project to include a new roof on the barn and the 2018 funds not expended are needed for this barn roof project due to the cost of the roof.

### Recommendation

It is recommended that after the conclusion of the Public Hearing on Monday, February 25, 2019, Troy City Council approve the reprogramming of Program Year 2018 funds in the amount of \$105,082 from the Clearance & Demo account to the Non-Residential Historic Preservation account to complete the roofing project at the Troy Farm's barn. ~~Parks-Recreational Facilities account in order to supplement the PY 2018 funds currently allocated to retrofit the existing grass pathway to the soccer fields at Firefighters Park with an 8' asphalt ADA compliant pathway.~~

## RESOLUTION:

WHEREAS, The City Council of the City of Troy, after conclusion of a Public Hearing on this date, February 25, 2019, has determined that Program Year 2018 unexpended funds of \$105,082 from the Clearance & Demo account to the Non-Residential Historic Preservation account to complete the roofing project at the Troy Farm's barn. ~~Parks-Recreational Facilities account in order to supplement the PY 2018 funds currently allocated to retrofit the existing grass pathway to the soccer fields at Firefighters Park with an 8' asphalt ADA-compliant pathway.~~

BE IT RESOLVED, That Troy City Council hereby **AUTHORIZES** City Administration to reprogram funds from Program Year 2018 to the Non-Residential Historic Preservation account to complete the roofing project at the Troy Farm's barn. ~~Parks-Recreational Facilities account to complete the retrofitting of the existing grass pathway to the soccer fields at Firefighters Park with an 8' asphalt ADA-compliant pathway.~~
