To Members of Troy Police Department,

My husband and I have always admired our Troy Police Department. We feel they are the finest police department we have ever known. We appreciate all they do for all of us.

On Saturday, March 9, my car broke down on John R at Jeffrey Drive.

I was able to get the car to a turn lane on the east side of the road. I put my emergency flashers on and called AAA for a tow truck.

A police vehicle, on a call, passed me. He was going north. I was headed south.

A short time later the police vehicle returned, pulled up behind me, and the officer asked if he could help.

I thanked him, and told him road service was on the way.

I just want you to know how much I, a senior citizen, appreciated the fact that your officer, after he completed the call he was on, remembered that I was on the side of the road, and he stopped to help me.

I checked his badge. His name was J. SOLLARS, and his vehicle was #995.

Please thank him again for me.

With kind regards,
