Hi Elaine,
Thank you for your help in making our Art Show a huge success!
The community feedback has been great and the families loved the addition of the craft room and watching students make art at the show.
Below is a video of the event.

We will be arriving Wednesday, May 1st at 8:00am to take the show down.
If we can have the containers and items in storage taken out that would be extremely helpful.
Thank you again for your generosity and help supporting the Visual Arts!
I'd love to talk to you about next year and some possible dates and using those 3 rooms again.
