CITY COUNCIL AGENDA ITEM

Date: May 1, 2019

To: Mark F. Miller, City Manager

From: MaryBeth Murz, Purchasing Manager
Tom Darling, Director of Financial Services
Frank Nastasi, Police Chief
Chris Culbreth, Police IT Manager

Subject: Standard Purchasing Resolution 4 - NJPA Purchasing Cooperative – VM Server Upgrades and Network Technology Enhancements – Police Department

History

- The Police Department is responsible for the professional, progressive, and responsive police services in Troy Michigan.
- Within the Troy PD, the Research and Technology Section supports the electronic and technological logistics that the PD utilizes in pursuit of its mission statement.
- In order to deliver the highest quality service to the PD and the City, Troy PD Research and Technology must continually upgrade the underlying equipment and technology that supports the officers of the Troy Police Department.
- This server upgrade will allow the City of Troy Police Department to continue to ensure high reliability and availability of law enforcement information and documentation to the officers of Troy PD.
- The VM servers purchased will be deployed to maintain and enhance the level of service and efficiency of the Troy Police Department.
- Additionally, this purchase will allow for the upgrade of the Access Control administration and maintenance computers that are used by the Police Department, Fire Department, and Department of Public Works.
- These computers allow those departments to interface with the City's Access Control and electronic lock system for the secure badging and access of all personnel.

Purchasing

Pricing for this upgrade has been secured from CDW Government LLC through the National Joint Powers Alliance (NJPA) Cooperative Purchasing Contract using NJPA contract# 100614-CDW.

Financial

Funds for this purchase are available in the Police Capital Fund account number 401.301.12.325.7980.025 under Projects 2019C0010 (\$25,000) and 2019C0008(\$16,488.27)
