Subject: Touch A Truck 2019 was a success because of you!

Chuck,

Thank you to Troy Fire for participating in Junior League of Birmingham's 3rd Annual Touch A Truck event on April 27, 2019.

The ladder truck was definitely one of our biggest hits!! At one point I feel like 80% of the children in attendance were either in line for rides or waiting to climb in the cab. I only wish I had a photo to show you.

Children generally love looking at a fire truck up close and personal, but allowing rides - it was definitely a favorite.

I have included a slide show of the event. I hope next year we can convince you to be a part of the fun again!

Also, our "Spread the Love" campaign resulted in 678 jars of peanut butter and jelly being donated to Lighthouse!

Thank you again, none of this would be possible without your participation and support.

Sincerely,

Jodi Welch

Touch A Truck Event Chairman

Junior League of Birmingham, Inc.
