From: Robert J. Bruner, Assistant City Manager
Tom Darling, Director of Financial Services
William J. Huotari, City Engineer

Subject: Standard Purchasing Resolution #1: Award to Low Bidder & Budget Amendment
Contract 19-03 – Section 30 Pavement Rehabilitation

History

The following streets are proposed to receive an asphalt overlay: Brooklawn, Brooklawn Ct., Derby, Engle Ct., Eton, Graefield, Nampa Ct., Norwich, St. Andrews, Witherbee, and Wrenwood. This project includes milling (grinding off) select areas of the existing pavement and then placing a new asphalt pavement surface. Also included is complete removal and replacement of failed pavement areas and manhole repairs. Work is anticipated to start in July and all pavement construction is to be substantially completed by September 3, 2019. All construction, including restoration, is to be completed by November 1, 2019.

Purchasing

Bids were received and publicly read on June 26, 2019. The low bid of \$1,419,248.00 was submitted by Pro-Line Asphalt Paving Corp., 11797 29 Mile Road, Washington, MI 48095 as shown on the attached tabulation summary.

Work was competitively bid and publicly opened with four (4) bidders responding. The award is contingent upon submission of proper contract and bid documents, including bonds, insurance certificates and all specified requirements.

Financial

Funding for this work is available in the 2019-20 Capital Projects Fund, Project # 2020C0028. (Account # 401.447.499.7989.400).

With the volume of construction currently taking place in the region, prices have escalated and while the low bid is within the budget amount of \$1,500,000, the 25% contingency recommended would exceed the budget amount. Therefore a budget amendment in the amount of \$274,000 is required in the 2020 Capital Fund. These funds would only be used should unforeseen work be required.

CITY COUNCIL AGENDA ITEM

Recommendation

It is recommended that City Council award the Section 30 Pavement Rehabilitation contract to Pro-Line Asphalt Paving Corp., 11797 29 Mile Road, Washington, MI 48095, for their low bid of \$1,419,248.00

In addition, we are requesting authorization to approve additional work, if needed, not to exceed 25% of the original project cost due to unknown quantities of repair work that may be needed after milling the asphalt surface, which will require that City Council approve a budget amendment to the 2020 Capital Fund in the amount of \$274,000.

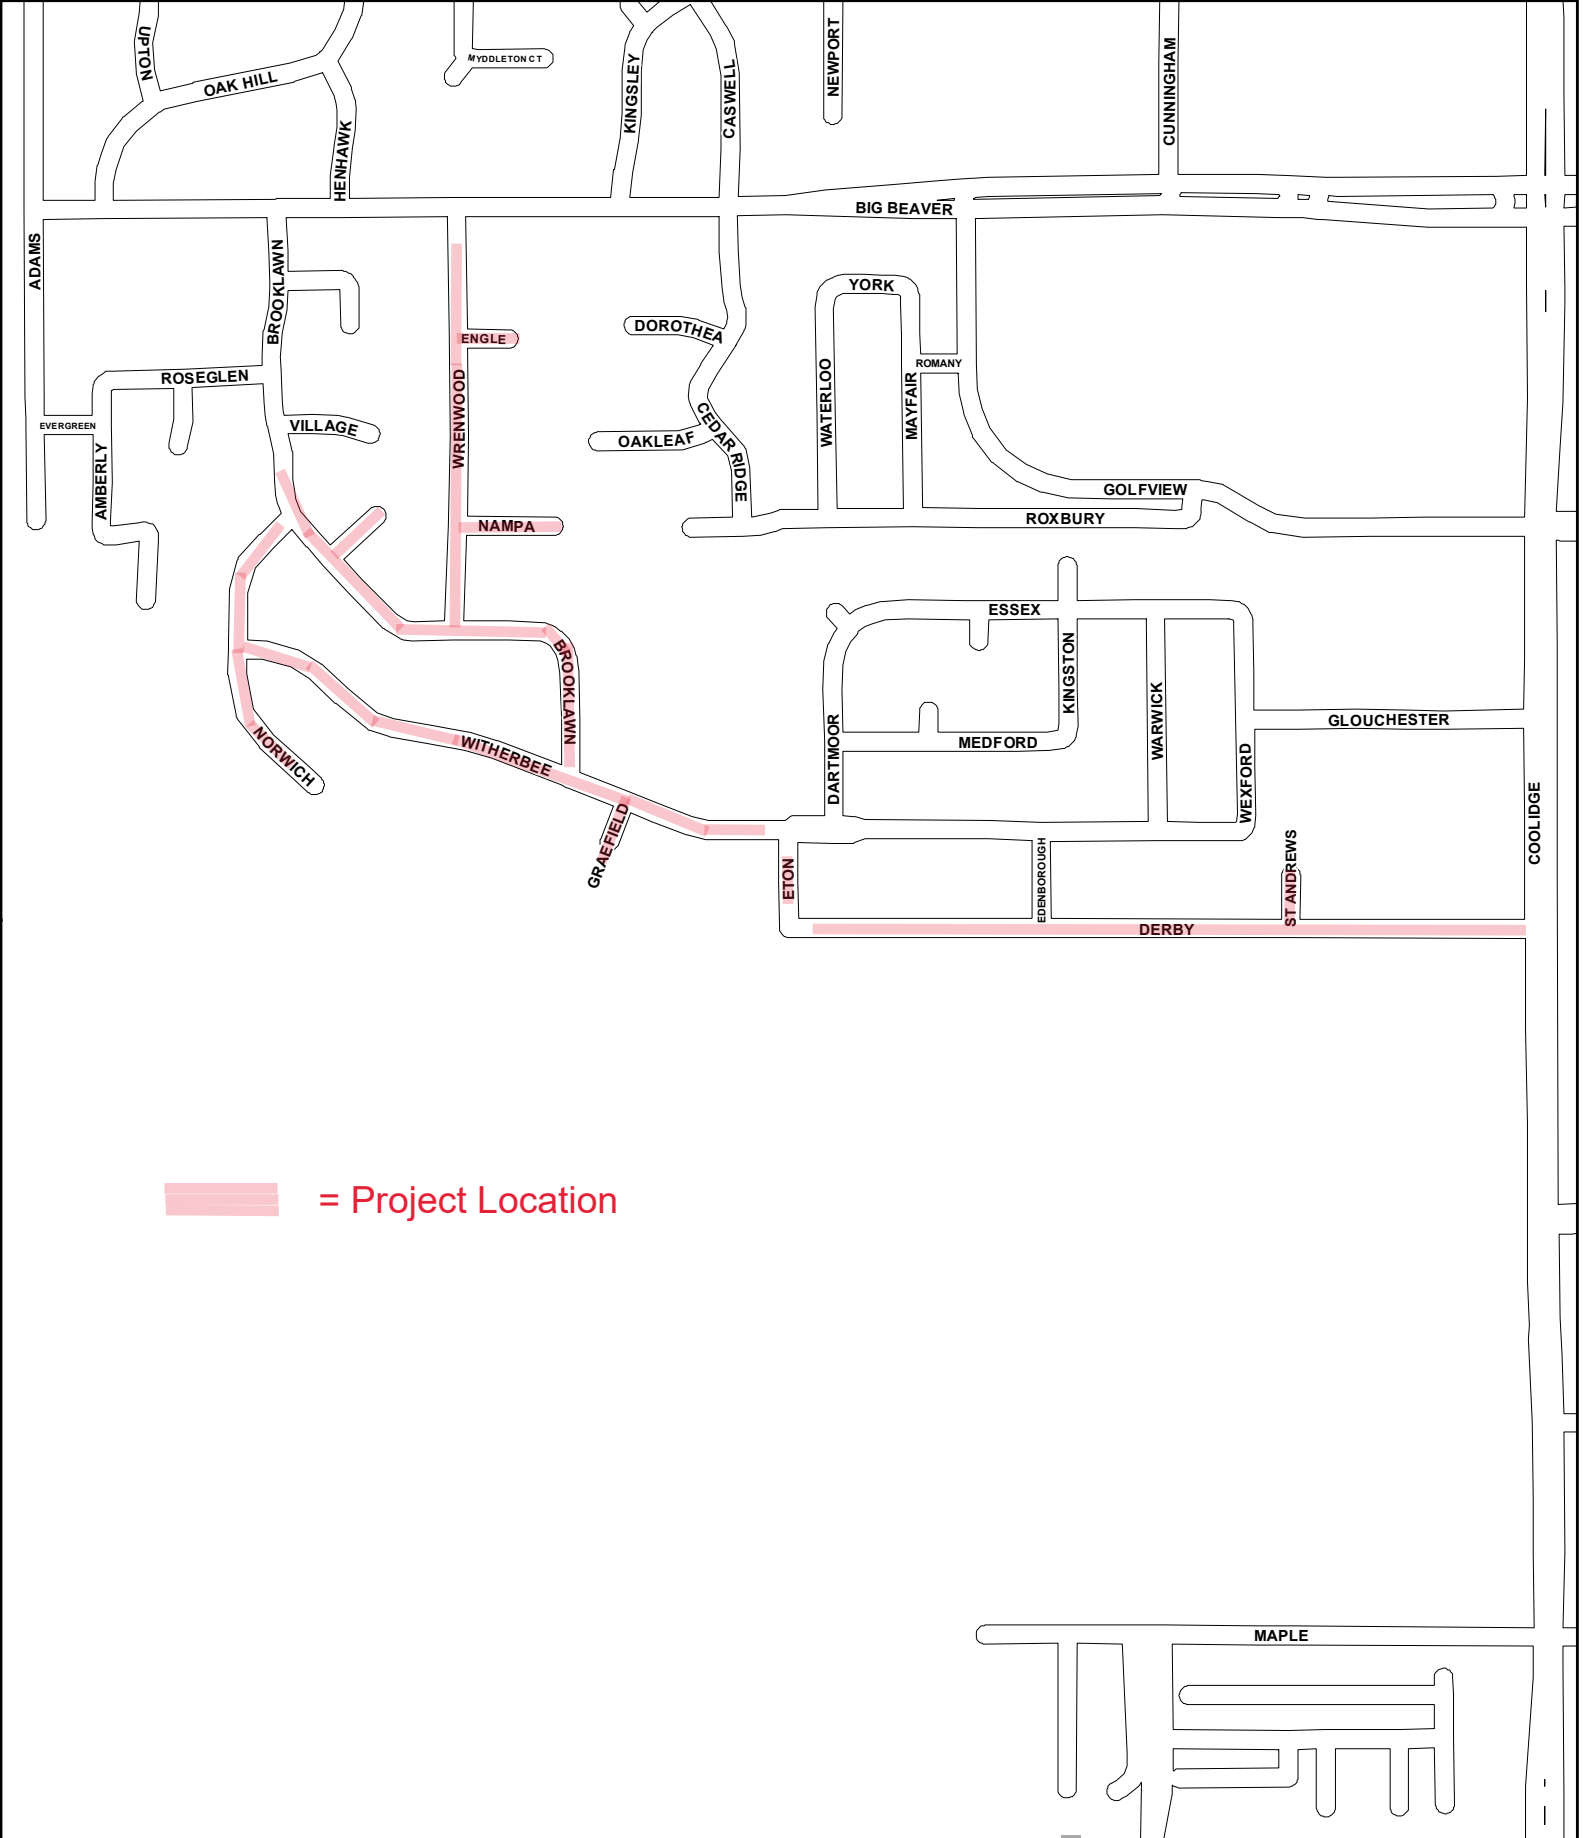

A copy of the bid tabulation shall be attached to the original Minutes of this meeting.
