Troy, MI 48084

July 10, 2019

Dear Chief Roberts,

The Membership and Staff at Beachwood Recreation Association would like to extend our sincere appreciation to you and your staff for helping to make our annual Fourth of July parade a festive and memorable one. This fun family tradition is beloved by everyone at the club and we thank you for being a part of it.

We especially appreciate the sacrifice each of your volunteers and firefighters make everyday for our community. We realize how important spending time with family is, especially during a holiday. We appreciate the time your firefighters and volunteers sacrificed away from their families on the Fourth of July to help make our event one that all the kids (and adults) will remember. From the parade around the neighborhood to getting sprayed by the hose, a great time was had by all!

Sincerely,

Lisa Kelley  
Beachwood Social Chair
