Hello

The 2019 Myddleton Block party was a huge success- and it was an honor to have Mr Blake Wilcox dedicate his time for several hours. Blake was not only informative and represented the Fire department exceptionally but also the City of Troy.

I have received many thank you messages and how great Blake was with the children and how they will never forget it.

We are requesting this be passed along to not only Blake but his superiors.

Thank you very much.

Respectfully,

Martin Van Almen
